

SKID STEER DOZER 6-WAY BLADE

Optional Features:

- **8 inch Blade Extension** – Made from steel to increase movement capacity on the curved blades while attached to the top of the blade
- **Rubber Cutting Edge** – This 1 inch thick and 6 inch wide option is to minimize wear on both the blade and plowing surface
- **Float Kit** – Available on skid steers, this option operates independently from the machine to self-adjust the blade-surface contact
